2026 Trends

Design for the Modern World.

At Gemline, innovation starts with intention. Each season, we explore the cultural and lifestyle trends shaping the way people live, work, and connect, translating them into a thoughtful mix of original designs and a carefully curated selection of products from our brand partners. The result is a collection where purpose meets personality, built for the way people live today.

For 2026, we introduced three defining trends: **Replenish, Travel Life, and New Prep.** Each reflects a fresh perspective on how we restore, explore, and express ourselves in an ever-changing world. Look for these icons throughout the lookbook.

Replenish

Restorative gear designed to embrace intentional wellness and everyday rituals of renewal.

Travel Life

Versatile essentials built for motion—where work, leisure, and style move as one.

New Prep

Timeless classics reimagined with relaxed function, refreshed materials, and a moody, modern edge.

betterway®

Corporate Social Responsibility

A Commitment to Purpose and Accountability

betterway® is more than a program, it's a mindset that guides us to do better every day for people and the planet. It reflects our identity as a Public Benefit Corporation, balancing profit with purpose, and as a Certified B Corporation, meeting the highest standards of social and environmental responsibility. Through betterway®, we uphold these commitments to create meaningful impact and a more responsible future.

Our betterway® products fall into four categories:
Preferred Materials, Cleaner Materials, Carbon Accountability, and Charitable Impact.
These criteria are not mutually exclusive as many of our products proudly meet multiple standards.
