2026 Trends

Purposeful Design for Today.

At Gemline, innovation starts with intention. Each season, we identify the cultural and lifestyle trends shaping how people live, work, and connect—responding through a thoughtful mix of Gemline-designed products and a curated selection of products from our brand partners. The result is a collection that balances purpose with personality, pairing intentional design with relevant materials, features, and forms built for today's expectations.

For 2026, we introduce three defining trends: **Replenish, Travel Life, and New Prep**. Each reflects a fresh approach to how we restore, explore, and express ourselves in an ever-evolving world.

Replenish

Restorative gear designed to embrace intentional wellness and everyday rituals of renewal.

Travel Life

Versatile essentials built for motion—where work, leisure, and style move as one.

New Prep

Timeless classics reimagined with relaxed function, refreshed materials, and a moody, modern edge.

betterway™

Corporate Social Responsibility

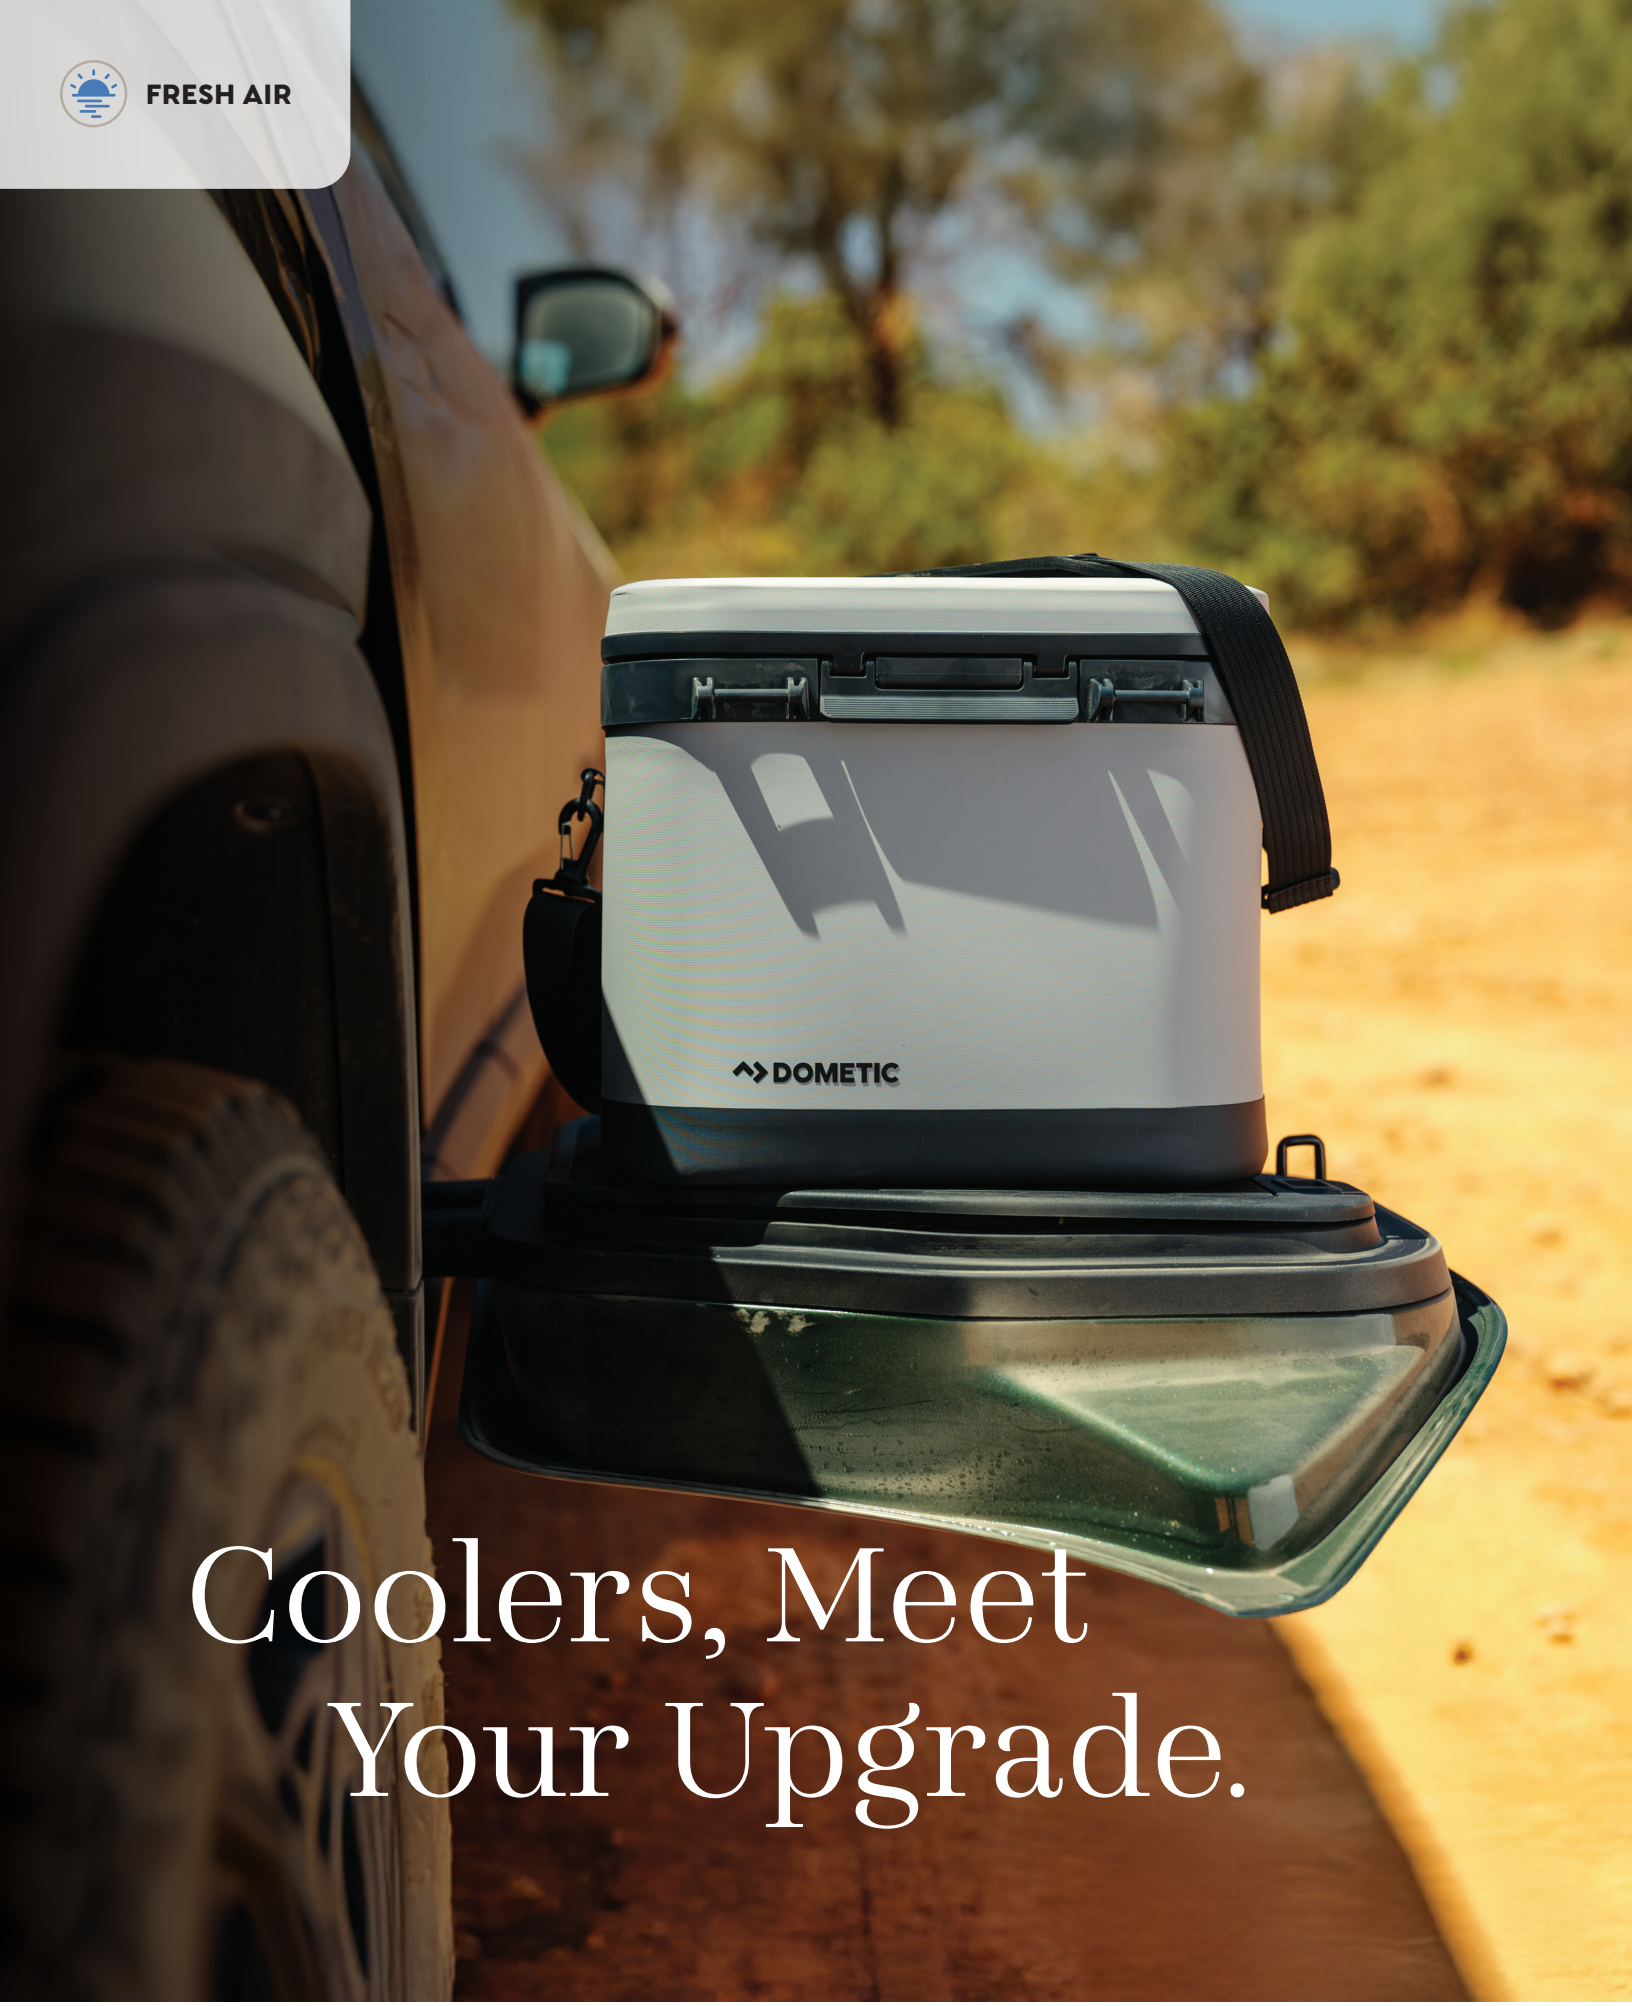

A Commitment to Purpose and Accountability

betterway™ is more than a program—it's a mindset that guides us to do better every day for people and the planet. It reflects our identity as a Public Benefit Corporation, balancing profit with purpose, and as a Certified B Corporation, meeting the highest standards of social and environmental responsibility. Through betterway™, we uphold these commitments to create meaningful impact and a more responsible future.

Our betterway™products fall into four categories: Preferred Materials, Cleaner Materials, Carbon Accountability, and Community Impact. These criteria are not mutually exclusive - many of our products proudly meet multiple standards.

Coolers, Meet Your Upgrade.

Introducing DOMETIC

Dometic® is a global leader in outdoor living solutions, offering premium gear built for adventure—whether on the road, on the water, or off the grid. With a focus on performance and modern design, Dometic products deliver comfort and reliability wherever the journey leads.

NEW

Dometic Recon ZL Welded Cooler - Medium

Sized for side trips, this 17L cooler holds 28 cans with FrostCore™ insulation that keeps contents chilled without the bulk. Dual-hinge latches open from either side for one-handed access and allows for the lid to be completely removed. Its stackable, low-profile shape fits perfectly in seat wells and tailgates. Finished with magnetic handles and a padded strap for easy carrying.

102798-034 Silt

NEW

Dometic Recon ZL Welded Cooler - Small

Compact, rugged, and always ready to roll. With a 12L capacity that holds 19 cans, this grab-and-go cooler is built for day trips or as part of your stackable setup. FrostCore™ insulation keeps contents cold, while dual-hinge latches allow one-handed access and for the lid to be completely removed—no zippers, no hassle. Reinforced base, nesting design, and magnetic handles make it easy to pack, carry, and store

103063-034 Silt

NEW

Dometic Recon ZL Welded Cooler - Large

Ideal for weekend escapes, the 21L capacity holds 35 cans and fits 11 bottles of wine upright. Nesting design and reinforced base keep it stable in vehicles, while dual-hinge latches offer fast, single-hand access and for the lid to be completely removed. Built to pack more with less bulk, and designed for comfort with removable magnetic handles and a padded shoulder strap.

102799-034 Silt

NEW

Dometic Recon 41L Cooler - 60 Can

Stackable, versatile, and built for the getaway. With two inches of insulation and a lightweight injection-molded build, this 41L cooler is 30% lighter than others its size—ideal for weekend trips, family outings, or as part of your Recon system. One-handed latches open from either side or remove the lid completely. Features soft-grip handles, anti-slip top, and includes spigot and faucet-ready caps for added functionality.

102800-034 Silt • 102800-H03 Glow

NEW

Dometic Recon 16L Cooler - 18 Can

Designed for grab-and-go moments, this 16L cooler features two inches of insulation and injection-molded construction that's up to 30% lighter than others its size. The efficient shape maximizes packability without wasted space, while dual-action latches offer quick access from either side—or remove the lid entirely. Includes soft-grip handles, anti-slip top, and spigot-ready caps for flexible use.

103064-034 Silt • 103064-H03 Glow

NEW

Dometic Recon 69L Cooler - 100 Can

Maximum capacity with a compact footprint. Designed as the base of your stackable Recon system, this 69L cooler delivers extended cold storage with two inches of insulation and 30% less weight than comparable models. Dual latches open from either side or remove the lid for full access. Includes ergonomic handles, anti-slip top, spigot and faucet-ready caps, plus a drop-in basket and divider for versatile use.

103065-034 Silt • 103065-H03 Glow

NEW

Dometic 45L CFX2 Active Cooling Cooler

Whether you're packing for a family outing or need everyday cooling on the go, this portable compressor cooler delivers dependable performance. With a wide temperature range from -7°F to 68°F and dual power compatibility, it's easy to control via the onboard panel or Dometic's mobile app. A three-stage battery protection system helps preserve both cooler temps and car battery life, while removable baskets, a crisper section, and lightweight, reinforced construction make it as practical as it is portable. 60 can capacity.

103068-D19 Ocean

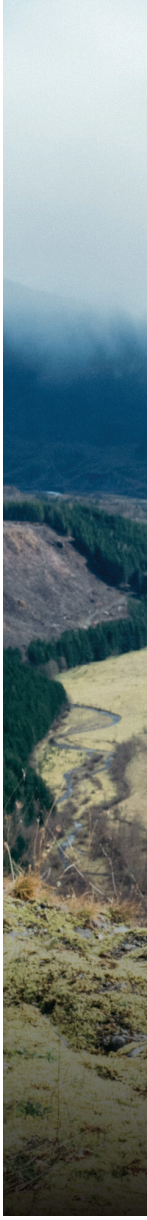

NEW

Dometic 28L CFX2 Active Cooling Cooler

Ideal for family outings or as an everyday cooling solution around town, this portable compressor cooler delivers reliable performance and versatility. With a temperature range from -7°F to 68°F, it can be controlled via the onboard panel or the Dometic mobile app. Dual power compatibility and a three-stage battery protection system help maintain internal temps while preserving car battery life. Removable baskets, a crisper section, and lightweight construction with reinforced corners and folding handles make it easy to pack, carry, and organize. 35 can capacity.

103067-D19 Ocean

NEW

Dometic Unrestricted Tote XL Cooler - 26L

One bag, endless possibilities. Whether it's a carry-on, market haul, or campsite cooler, this versatile tote does it all—chilling up to 31 cans with recycled PrimaLoft® Gold insulation and a welded, leakproof liner. Made from 100% recycled CORDURA® re/cor™ with rugged zippers, a laptop sleeve, and multiple pockets to keep gear in check. Reinforced with a padded, adjustable strap made from recycled OrthoLite® for comfortable carry.

103052-K03 Slate

NEW

Dometic Unrestricted Duffel Cooler - 25L

More than a duffel—it's your everything bag. From weekend gear hauler to chilled carry-on, this versatile bag fits it all, cooling up to 51 cans with PrimaLoft® Gold insulation and a welded, leakproof liner. Built from 100% recycled CORDURA® re/cor™ with rugged zippers, interior pockets, and a laptop sleeve. Finished with a padded, adjustable strap made from recycled OrthoLite® for all-day carry comfort.

103053-K03 Slate

NEW

Dometic Unrestricted Connect Ice 2pk

This set of two reusable ice packs snaps directly onto the Unrestricted Cooler system with a secure magnetic connection. Compact, foldable, and built for the road—just add water, freeze, and go. Made with welded construction and food-safe materials for chill that lasts, wherever you're headed. Sold blank/undecorated only.

103066-K03 Slate

Explore the Day.

NEW

Dometic Unrestricted Backpack Cooler - 24L

Hiking bag. Carry-on. Mobile lunch kit. Daily adventure pack. It does it all—and then some. From trails to terminals, this pack keeps 39 cans chilled with PrimaLoft® Gold insulation and a welded, leakproof liner. Built with 100% recycled CORDURA® re/cor™, rugged zippers, and padded OrthoLite® straps, with smart storage including multiple pockets and a laptop sleeve to keep you organized on the move.

103050-K03 Slate

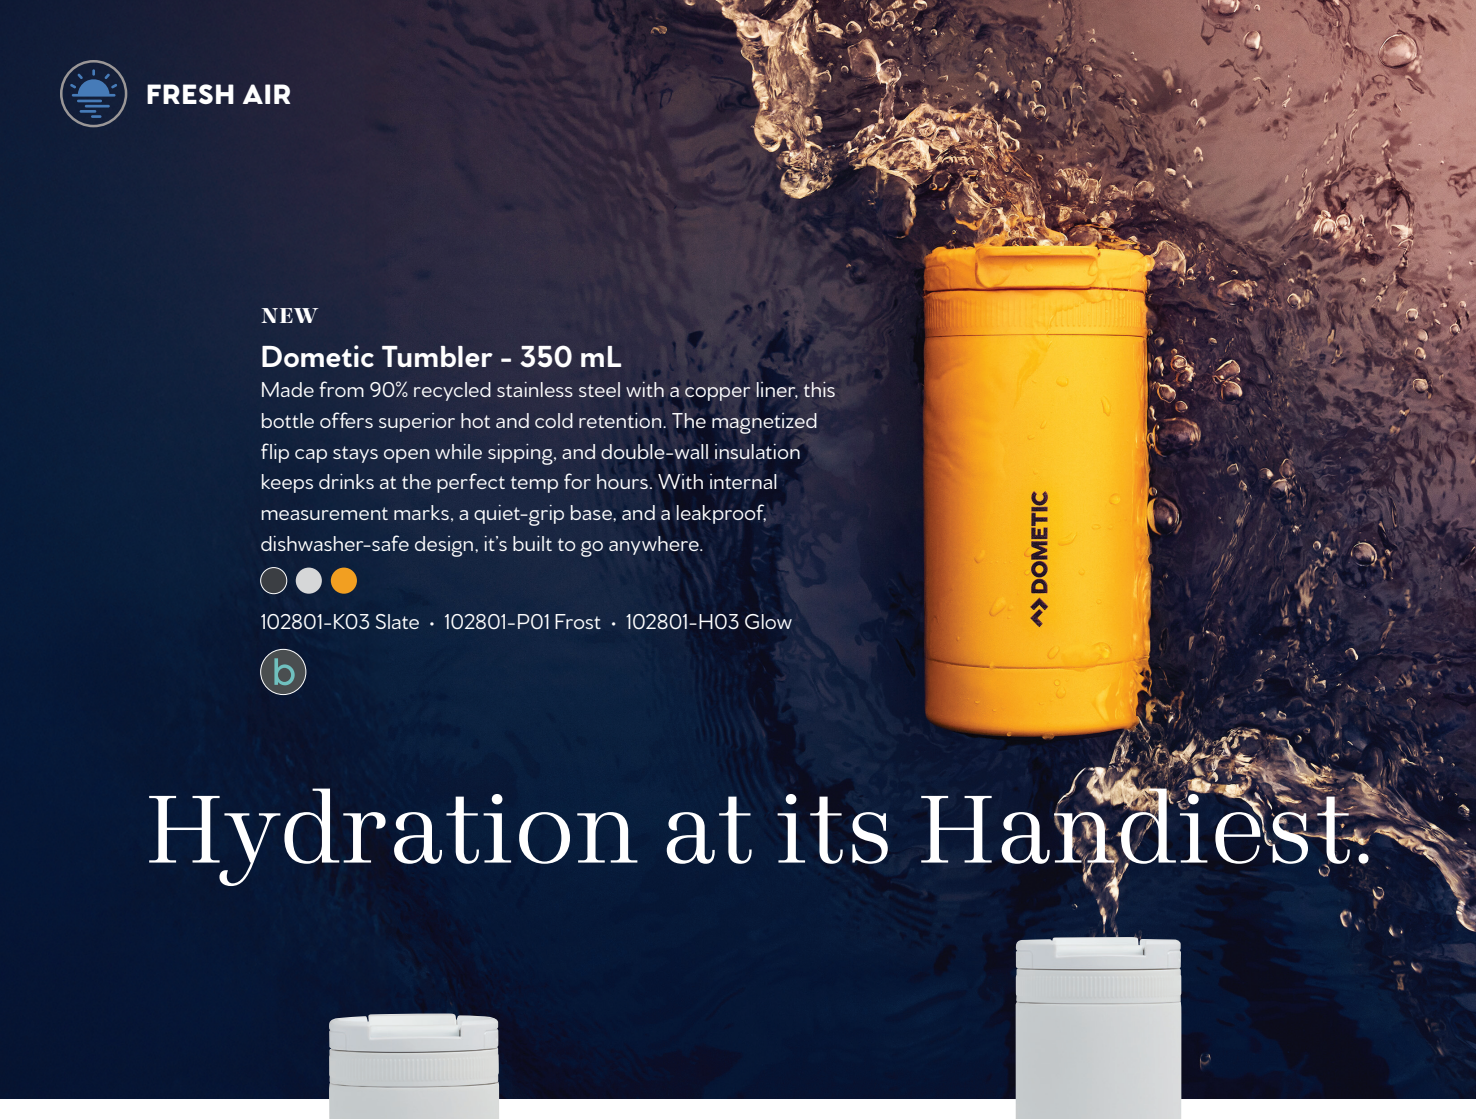

NEW

Dometic Unrestricted Tote Cooler - 11L

Your snack bag, your lunch tote, your anytime, anywhere carry. This do-it-all tote chills up to 23 cans with PrimaLoft® Gold insulation and a welded, leakproof liner—perfect for daily hauls or spontaneous getaways. Made with 100% recycled CORDURA® re/cor™ and reinforced with rugged zippers, plus side pockets, a hidden stash pocket, and a recycled OrthoLite® padded strap for all-day comfort.

103051-K03 Slate

NEW

Dometic Tumbler - 350 mL

Made from 90% recycled stainless steel with a copper liner, this bottle offers superior hot and cold retention. The magnetized flip cap stays open while sipping, and double-wall insulation keeps drinks at the perfect temp for hours. With internal measurement marks, a quiet-grip base, and a leakproof, dishwasher-safe design, it's built to go anywhere.

102801-K03 Slate • 102801-P01 Frost • 102801-H03 Glow

Hydration at its Handiest.

NEW

Dometic Tumbler - 500 mL

Designed for all-day hydration, this double-wall insulated bottle is crafted from 90% recycled stainless steel with a copper liner for lasting hot or cold performance. A magnetized flip cap stays securely open while drinking, while embossed measurement markings and a grippy, quiet TPE base add functional details. Leakproof, dishwasher-safe, and cupholder compatible.

102802-K03 Slate • 102802-P01 Frost • 102802-H03 Glow

NEW

Dometic Tumbler - 650 mL

Engineered for performance and built to last, this bottle features 90% recycled stainless steel and a copper liner to maintain drink temperature for hours. The magnetic flip cap stays out of the way while sipping, and embossed internal markings help track intake. With a quiet-grip base, leakproof construction, and dishwasher-safe design, it's a reliable companion for wherever the day leads.

102803-K03 Slate • 102803-P01 Frost • 102803-H03 Glow

NEW

Dometic Sip Bottle - 650 mL

This double-wall insulated tumbler is made from 90% recycled stainless steel with a copper liner to keep drinks icy cold. It includes a stainless steel straw with silicone tip, embossed measurements, and a quiet-grip base. An integrated silicone strap provides carry versatility and opens to attach to bags or gear. Leakproof, dishwasher-safe, and cupholder friendly.

102804-K03 Slate • 102804-P01 Frost • 102804-H03 Glow

NEW

Dometic Sip Bottle - 1 L

Made from 90% recycled stainless steel with a copper liner, this double-wall insulated tumbler keeps drinks icy cold for hours. Includes a stainless steel straw with silicone tip, embossed measurement markings, and a quiet-grip base. An integrated silicone strap opens to attach to bags or gear. Leakproof, dishwasher-safe, and built for serious hydration.

102805-K03 Slate • 102805-P01 Frost • 102805-H03 Glow

NEW

Dometic Chug Bottle - 1 L

Built for all-day hydration, this high-capacity bottle features a magnetized chug cap, copper-lined insulation, and 90% recycled stainless steel. Includes embossed measurements, a quiet-grip base, and an integrated silicone strap that opens to attach to bags or gear. Leakproof, dishwasher-safe, and made to move.

102806-K03 Slate • 102806-P01 Frost • 102806-H03 Glow

NEW

Dometic Chug Bottle - 1.2 L

This insulated chug bottle is built from 90% recycled stainless steel with a copper liner to lock in cold for hours. A magnetized screw-top cap stays open while drinking, while embossed measurement marks and a silicone carry strap add function on the move. Finished with a quiet-grip base and a wide profile that's not made for cupholders—but ready for everything else.
