

Gemline

KIT CREATOR

Build a custom kit in minutes!

We've made it easy to create the perfect gift your customers will love. Gemline's Kit Creator is an easy-to-use tool that allows you to mix and match products for unlimited gifting possibilities. You can create a custom kit in just a few simple steps. You can even add non-Gemline items to your kit!*

STEP 1
Create your kit

STEP 2
Add items to your kit
Kit quantity will default to the lowest MOQ of all items in the kit.**

STEP 3
Select add-ons (optional)

STEP 4
Include special project details (optional)

STEP 5
Share your kit with Gemline or customers

As items are added to your kit, charges are calculated automatically so you can stay within your budget. Drop and Bulk Ship available.

*Non-gemline items cannot include: perishable food, offensive material, tobacco, firearms, hazardous materials, drugs or alcohol. Gemline reserves the right, at its sole discretion, to refuse other customer supplied items. Drop shipment delivery addresses must be provided at the time of order and must be provided using Gemline's Drop-ship template. Other terms, charges and restrictions may apply. Unused/extra customer supplied items that are not used to fulfill an order will be discarded after 30 days from ship date, unless otherwise directed by customer.
**If a writing instrument is included in the kit, the kit quantity will default to the MOQ of the writing instrument.
